To the Michigan Area Residents:

Congratulations to Michigan City on its quasiquicentennial and to the Michiganites who over the past 125 years have called this special place home. Our community is very proud of reaching this milestone and we applaud you for this achievement.

Thank you to the many people who have given of their time and energy organizing this summer's celebration. Guests from all over the world will **"Come Home to Michigan"** to commemorate our city's birthday, your hard work is appreciated and they will be impressed!

When our founding fathers first established Michigan City in 1883, they could not have imagined the world in which we live. However, their sense of adventure, optimism and community spirit is still found here today. As we reminisce on days gone by, it is important to look to our future. With your help, we can make Michigan an even better place when we gather again in 2033 to celebrate our sesquicentennial.

Again, congratulations on a job well done!

Sincerely,

Allen I. Orwick
Mayor
