

# ***Warning Siren Test***

***Wed, May 1***

***(between 11:00-11:30 a.m.)***

\*\*\*\*\*

***You will hear a steady  
blast for 3 to 5 minutes.***

In a real weather emergency, the steady blast means:

- Seek appropriate shelter
- Get further info on radio, TV, or weather radio.

**Severe Summer Weather  
Awareness Week  
April 29 – May 1.**
