

PUBLIC MEETING
Michigan City Council
May 28-14

The Michigan City Council held a Public meeting on May 28, 2014 at 6pm in the Civic Center. The meeting was in regard to the proposed closing of several of Michigan's accesses to Highway 2.

Council members present were, Mayor Lauri Rysavy, Scott Gilbertson, Scott Midstokke, Kathy Gilbertson and Rod Fisk. There were also 36 members of the community in attendance.

Mayor Rysavy introduced Les Noehre, District Engineer from the Grand Forks DOT, Jane Berger, Programming Engineering DOT, Bismarck, and Greg Semenko, District Engineer from the Devils Lake DOT.

Les Noehre thanked the public for the excellent turnout as well as our District Representatives.

Jane Berger presented a short slide presentation about Access Management on highways. She talked about access versus mobility and safety.

Following the slide presentation District Engineer Les Noehre opened the meeting for questions and discussions.
